Sir,

Sub: Damages to the Public works / Structures under execution in the recent Floods, during 2021 - Report called for - Reg.

Ref: 1. Section 1601.1.6 of Kerala PWD Manual 2012.

2. Circular dated 9/11/2021 issued from this office.

It was instructed that all agencies taking up public works in the State viz. Govt. Engineering Departments, PSUs, Statutory Bodies and Govt. Accredited Agencies were directed to report the damages (occurred during the flood 2021) to the public works / structure under execution or under Defect Liability Period to the Chief Technical Examiner,

It was further instructed that the consolidated report covering all works under his jurisdiction, shall be submitted by the Executive Engineer / Engineer-In-Charge, after duly examining and confirming that the damages occurred are solely due to flash floods in 2021. The report shall be sent through Email Id: etc.fin@kerala.gov.in within 30 days

positively.

Based on the above circular direction, it is noted that only few reports from respective Executive Engineers of departments were received through the said Email mentioned in the circular, till date. Hence it is reminded that the pending cases for reporting of flood damages, if any (damages caused during floods 2021) shall be reported within one month through official email id "cte.finance@kerala.gov.in"

Yours Faithfully,

Harikumar.S  
Chief Technical Examiner &  
Ex Officio Secretary to Government

Approved for Issue,

Accounts Officer.
