5 Letter No, TNL/20-21/ROW/ITD/01 dated 22.08.2020 from M/s Telesonics Network Limited

ORDER

As per Government Order read as 1st paper above, Government have issued detailed guidelines for granting Right of Way (RoW) permission to lay OFC along the roads under the purview of National Highway/Public Works Department/ Local Self Government institutions/ any other public authority. A Single Window Committee has been constituted as per Government Order read as 1st paper above with regard to granting of Right of Way (RoW) permissions to TSPs/IPs. As per letter read as 5th paper above, M/s Telesonic Networks Limited has requested permission for laying Optical Fibre Cables for 99.49 kms along the roads in the State of Kerala, as part of expanding their existing Optical Fibre Cable (OFC) network. The Single Window Committee, in their meeting held on 15.06.2021 considered the application of M/s. Telesonic Networks Limited and recommended to grant RoW permission to

them for laying OFC for 99.49 kms subject to certain conditions. The common guidelines on RoW, issued as per Government Order read as 1st paper have been modified *vide* Government Order read as 3rd paper above.

2) As per the RoW guidelines issued *vide* Government Order read as 1st and 3rd paper above, the TSPs/IPs shall have to remit an amount of ₹75,000/- per kilometre towards One Time Contribution and should also furnish a Performance Bank Guarantee @ ₹50/metre for getting RoW permission. As stipulated in the said Government Orders, M/s Telesonic Network Limited has furnished a Performance Bank Guarantee (No. 796BGG2103495) of Deutsche Bank favouring the Principal Secretary, E&IT Department for an amount of ₹ 49,74,500/- (Rupees Forty Nine Lakh Seventy Four Thousand and Five Hundred Only). In case of non-compliance or violation of any provisions in the Government Order or agreement, the Performance Bank Guarantee will be invoked. M/s Telesonic Network Limited has also remitted an amount of ₹74,61,750/- (Rupees Seventy four Lakh Sixty One Thousand Seven Hundred and fifty rupees only) as One Time Contribution (OTC) (excluding GST) in favour of the Director, Kerala State IT Mission (KSITM). M/s Telesonic Networks Limited shall have to remit directly the amount of GST on One Time Contribution to the authority concerned under Reverse Charge Mechanism.

3) In the above circumstances, Government are pleased to accord Right of Way permission to M/s Telesonic Networks Limited for laying Optical Fibre Cables for 99.49 kms appended as Annexure-I, subject to the terms and conditions stipulated in the Government Orders read as 1st and 3rd papers above and the guidelines attached thereto. M/s Telesonic Networks Limited should strictly follow the conditions noted below and such other additional conditions that Government may impose from time to time:

a) M/s Telesonic Networks Limited shall provide a minimum of 100 Mbps bandwidth at Network Operating Centres (NOCs) and 50 Mbps at the District Point of Presence (PoP) and 10 Mbps Block/Taluk HQs to Government free of cost, throughout the duration of the agreement. This free bandwidth shall be provided within one year from the date of the agreement and this shall be provided to District Head Quarters (DHQ), Block Head Quarters (BHQ) and Taluk Head Quarters (THQ) that fall within two kilometres of road distance from OFC route.

b) Free bandwidth provision shall be in the ratio of 1:1 (upload/ download) and to the point to point links.

c) TSP shall ensure uptime of 99% in DHQ and NOC. This shall be 98.5% for

BHQ and THQ during business hours.

d) M/s Telesonic Networks Limited shall furnish the location map showing the alignment of trenching for various reaches with cross section of trenching to the road authorities concerned and shall be got approved and an agreement shall be executed with the road authorities concerned. The TSP shall furnish the detailed road map of the route (as well as GIS route map) where OFC is to be laid with GPS co-ordinates as per the appropriate jurisdiction of the road authority concerned. The road authority shall ensure that cables are laid only in line with the layout. No deviation from the approved layout shall be allowed by the road authorities. However, minor deviations may be allowed in the layout/approved plan submitted by the TSPs on the ground of technical feasibility.

e) Agreement shall be executed by the TSP with the Government. An agreement shall also be executed with the National Highway authorities before trenching is done on National Highways.

f) Trenching should be done only through the extreme edge of the road considering the future expansion of the Highways and for a stretch of 200m at a time. Proper precautionary measures may be made during execution of trenching such as fencing, lighting, sign boards, etc. Digging works may be undertaken preferably in the night, avoiding busy hours and as far as possible, tarred portion should be avoided.

g) The trenching and restoration works should be done as per MoRTH specification and as per the instructions of the agency concerned designated by the owner. A completion certificate and Non Liability Certificate from all road authorities concerned and a certificate showing Bandwidth fulfillment from the Director, Kerala State IT Mission should be produced before Government by the TSP along with application for release of Bank Guarantee on completion of laying work and fulfilment of all relevant conditions in the matter.

h) M/s Telesonic Networks Limited shall produce the NLC (Non Liability Certificate) in the format appended to this order from the road authority for returning the Bank Guarantee (Annexure- II). After completion of the work, the TSP shall furnish the road chainage details from the appropriate road authority.

i) Bank Guarantees (BG) shall be renewed by the TSP before the date of expiry of the BG.

j) M/s. Telesonic Networks Limited shall be responsible for changing the cables whenever required at their own cost for the future development and 4 laning of Highways/future development of roads.

k) M/s Telesonic Networks Limited shall do the restoration work on their own under the supervision of the Department/Organization/Local Body owning the road and the road shall be restored to its previous condition within the

stipulated time frame and quality standards as decided by Government from time to time. M/s Telesonic Networks Limited shall furnish a separate Bank Guarantee equal to 1/3rd (One-third) of the estimated cost of restoration, to the Department/ Organisation/ Local Body owning the road, till the end of Defect Liability Period (DLP). This Bank Guarantee will be over and above the Performance Bank Guarantee furnished to Electronics and Information Technology Department. M/s Telesonic Networks Limited shall also take necessary steps to renew all the Bank Guarantees before the date of expiry.

- l) M/s Telesonic Networks Limited shall be solely responsible for all accidents which occur due to the negligence from their part while trenching of roads for laying OFC and they shall pay adequate compensation to the victims of such accidents as per the orders of the competent authorities or court. The Licensee shall ensure proper filling of the excavated trenches before the close of the work of that day.
- m) All provisions relating to PWD roads will be applicable to roads under the control of Local Self Government Institutions and other roads also.
- n) Road Authorities shall give road trenching permission as per general norms and as well as terms and condition existing in their respective Departments.
- o) Non-readiness of the site due to monsoon ban or such issues relating to non commencement of work shall be intimated to Director, KSITM. Completion of laying of OFC shall be promptly intimated to the Director, KSITM in writing with supporting documents. The Director, KSITM shall inform the same to the Government on time. If the work completion is delayed, TSP shall furnish status report every six months to the Director, KSITM, specifying the distance completed with route and pending at that point of time, with reason for non-completion of work.
- p) M/s Telesonic Networks Limited shall submit OFC route mentioning road distance from OFC to DHQ, BHQ and THQ to the Director, KSITM.
- q) Road authorities concerned shall permit M/s Telesonic Networks Limited to lay OFC from OFC route to BHQ, DHQ and THQ at feasible locations.
- r) The validity of RoW permission granted shall be for 15 years from the date of this Government Order or till the period of currency of the license of M/s Telesonic Networks Limited issued by the Government of India, whichever is earlier.
- s) If it is found at any stage that the TSP has laid extra cable over and above the sanctioned distance, they are liable to pay proportionate One Time Contribution and to furnish Bank Guarantee.
- t) M/s Telesonic Networks Limited shall furnish OFC lay out diagram, with GIS co-ordinates, to the Director, KSITM and to the appropriate road authority. The road authority shall ensure that lay out diagram is matching with the route details as mentioned in the Annexure- I.
- u) There should not be any loss to the Government in this regard and this

should be taken into account.

v) M/s Telesonic Networks Limited should apply for RoW permissions for extending the Government Connectivity, immediately after the completion of work of their Optical Fibre Cable routes.

w) M/s Telesonic Networks Limited should furnish the action plan for connecting PoP locations for the fulfilment of their previous bandwidth commitments to the Director, KSITM. The TSP should also furnish the GIS route map in the format specified by the Director, KSITM for identifying the PoP locations coming under the OFC routes. The proof of remittance of GST on One Time Contribution under reverse charge mechanism should be submitted by the TSP to the Director, KSITM within one month from the date of issue of this order.

x) M/s Telesonic Networks Limited should fulfil all the pending bandwidth obligations in co-ordination with KSITM.

4) The Director, KSITM is permitted to allocate the bandwidth on distributed manner, so that multiple terminations can be avoided at a single PoP location. The Director, KSITM shall also monitor and ensure the compliance of bandwidth commitments of TSPs by having constant coordination with all TSPs concerned and to workout an equitable distribution for obtaining free bandwidth in the NOC, BHQ, BHQ and THQ.

5) The Director, KSITM shall report to Government on time, any lapse on the part of M/s Telesonic Networks Limited in compliance of the conditions mentioned in this order.

6) The Right of Way Permission shall come in to force only from the date of execution of the agreement by the TSP with Government.

7) All the terms and conditions laid down in the agreement and such additional conditions that Government may impose from time to time shall be strictly adhered to by M/s Telesonic Networks Limited. The Chief Engineer, (PWD)/(LSGD) shall report any violation in the provisions of the Government agreement conditions from the part of the company. M/s Telesonic Networks Limited shall be liable to execute supplementary agreements (if any) as stipulated by Government from time to time.

8) This Government Order is a generic permission and before digging any stretch, the plan of digging, route plan and restoration plan may be got approved from the Executive Engineer of PWD or the appropriate authority concerned.
