**ORDER NO.E9/7101/09/CE/LSGD DATED: 18.12.2012**

The senior most Draftsmen/Overseers Grade II of this Department promoted provisionally as Draftsmen/Overseers Grade I vide this office order under reference 2<sup>nd</sup> ,3<sup>rd</sup> and 4<sup>th</sup> cited. Representations were received from the promotees for reassigning their date of promotion with retrospective effect from 01.01.2008 as Local Self Government Department Engineering cadre was created with effect from 01.01.2008, by deploying posts from different departments.

Government vide G.O.(MS) No.253/2007/LSGD Dated 13.11.2007 have ordered to create separate Engineering cadre in the Local Self Government Department drawing technical staff from Public Works Department and Water Resource Department as per G.O.(MS) No.269/2003/LSGD Dated 05.09.2003, all Engineering staff of the Municipalities and Corporations, all Engineering staff of the Panchayath Department, Poverty Alleviation Units, Kerala State Rural Road Development Agency and the Rural Development Board (defunct). Necessary Special Rules for the Engineering subordinate service was published by Government vide G.O.(P) No. 272/2007/LSGD Dated 27.11.2007 as on 01.01.2008 in respect of qualifications and methods of appointment for various post under Kerala Local Self Government Engineering Subordinate Service. As per the special rule 2(2)(v), the rank and seniority of a person absorbed into Kerala Local Self Government Engineering Subordinate Service shall be determined on the basis of the date of appointment and seniority in the respective category in the former service, and if he is a direct recruit in the category, on the basis of the date of advice of the Public Service Commission for appointment to the category. The persons from different

department were joined in LSGD on difference dates, though they were absorbed to this department vide GO 9<sup>th</sup> cited. After consolidating the details, a seniority list of Second Grade Overseers had been published on 31.07.2009 as per the Special Rules.

As per references 7<sup>th</sup> and 8<sup>th</sup> cited, promotions which do not involve change of duties shall have effect from the date of the vacancy which occasions the promotion. Hence the second grade overseers are eligible for promotion as and when the vacancies occurred. But the promotion in this department can be considered only after the joining of incumbents. Hence it is hereby decided to consider promotion with effect from 31.07.2009, ie. the date of publication seniority list

After the creation of engineering cadre in this department, vacancies for promotion were sorted out by finalizing the cadre strength and staff strength excluding the post of junior most first grade overseers absorbed from PWD and WRD due to non availability of their service details. Accordingly 6 seniormost second grade overseers were promoted to these so found vacancies vide order reference 2<sup>nd</sup> cited from the seniority list published on 31.07.2009.

Later including absorbed post of junior most first grade overseers from PWD and WRD, the proportional vacancies were calculated as 23. These vacancies were filled by promoting second grade overseers vide reference 4<sup>th</sup> cited. As per reference 7<sup>th</sup> cited, 29 senior most second grade overseers are eligible for promotion with effect from 31.07.2009. Hence the SI No.1 to 29 in the annexure are eligible for promotion with effect from 31.07.2009 and they are deemed to have promoted with effect from 31.07.2009. 62 vacancies arose on 16.10.2009 due to the promotion vide reference 5<sup>th</sup> cited. Hence the incumbents with SI No.30 to 91 in annexure are eligible for promotion with effect from 16.10.2009 and they are deemed to have promoted with effect from 16.10.2009. The incumbents with SI No. 92 to 97 in the annexure are eligible for promotion with effect from 31.12.2009 and they are deemed to have promoted with effect from 31.12.2009 in the vacancies arose due to the promotion vide reference 6<sup>th</sup> cited.

Thus the promotion orders issued vide reference 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> cited are reviewed.

To  
Individual

  
**Chief Engineer**
